

# Retracta-Belt® PRIME Single Line Post

Featured Product: Model 100

## Proven Performance. PRIME Prices.

When you buy a Retracta-Belt® you're getting a high quality stanchion from a trusted manufacturer with 50 years of experience. So why buy anything else? Retracta-Belt PRIME® stanchions are economically priced, and feature technology and materials that will outperform any other low-cost stanchion on the market. We've analyzed design flaws of other similar products and corrected them to deliver you a low-cost stanchion worthy of the Retracta-Belt® name.

**Strong and slow brake:** made with E-Z Back® PRIME Technology for guaranteed safety

**10' belt:** thick, durable and 43% longer than competitors' posts

**Universal belt end:**  
 ▶ Works with nearly every stanchion  
 ▶ Locks to prevent accidental release

**Steel post:** resists denting and increases weight to keep the post in place

**Built-in rubber floor protectors:** around the ENTIRE base for maximum protection

### Featuring Exclusive EVERstraight® PRIME Technology

▶ Innovative self-straightening base connection keeps post upright  
 ▶ Heavy base keeps post in place

**Buyer Beware!** Many low cost stanchions leave out industry standard features such as a slow retracting brake system or a universal belt end that enables connection to existing stanchions. Ensure your product has these critical features.

#### Additional Features
